STEWARDESS/DECKHAND

Dear Captain and Chief Stewardess/Bosun

I am a motivated, enthusiastic, and positive individual seeking the opportunity to continue building my career within the yachting industry. Having recently completed a two-month temporary position onboard a 33m motor yacht as Sole Stewardess/Chief Stewardess, alongside completing day work in Imperia, I am eager to further develop my skills and gain additional experience within a professional yacht environment.

During my recent roles, I independently managed all interior responsibilities, including housekeeping, guest service, provisioning, cabin preparation, and coordinating external contractors. I also cooked for the crew. This experience strengthened my ability to work efficiently under pressure while maintaining the high standards expected onboard.

Prior to entering yachting, I gained over three years of hospitality experience in roles with significant responsibility, including key holder duties, opening and closing restaurants, handling cash management, and overseeing daily operations. These experiences helped me develop strong customer service, organisation, teamwork, and communication skills, all of which I believe transfer exceptionally well into the yachting industry.

I am highly guest-focused, hardworking, and enjoy creating memorable experiences for others. What excites me most about yachting is being part of delivering exceptional service and ensuring every detail is executed to perfection, whether during owner trips, private use, or charter operations. I also have a strong interest in eventually gaining experience on deck, as I am eager to become a well-rounded crew member throughout my yachting journey.

Outside of work, I enjoy water sports, hiking, horse riding, learning to Dive and maintaining an active and social lifestyle. I thrive in team environments and bring a positive attitude, strong work ethic, and willingness to learn wherever I go.

I see myself building a long-term career within the yachting industry and hope to progress into leadership roles in the future. Thank you very much for your time and consideration, and I would greatly appreciate the opportunity to be considered for a position within your team.

Kind regards,
Cyrna Morris.

To Whom It May Concern,

I am Francesco, Captain of the 33m M/Y Aries, and I am pleased to provide this reference for Cyrna.

Cyrna joined our vessel as the sole Stewardess aboard M/Y Aries on the 17th of April to the 26th of may.

Throughout her time with us, Cyrna consistently demonstrated a positive attitude, enthusiasm, and a genuine willingness to learn. She approached her responsibilities with professionalism and dedication and was a pleasure to have as part of our crew. Her friendly nature and strong work ethic made her a valued team member.

I would not hesitate to work with Cyrna again once she has gained further experience, as I am confident, she has the potential to become an excellent stewardess. Unfortunately, due to the limited crew structure aboard our vessel, we were unable to provide the mentorship and support that a junior stewardess would ideally receive. This was regrettable, as I believe that with additional guidance and industry exposure, she will thrive in her career.

I am confident that Cyrna has a bright future ahead of her and would be a valuable addition to any vessel that can offer continued training and professional development.

Should you require any further information, please do not hesitate to contact me.

Kind regards,

Francesco

To Whom It May Concern,

I am pleased to provide this reference for Cyrna, who completed daywork onboard M/Y Vahewa from April 5th to April 6th.

During her time onboard, Cyrna worked full days from 08:00 to 18:30 and demonstrated a strong work ethic, professionalism, and attention to detail throughout. She carried out a comprehensive general clean of all guest areas, as well as a thorough deep clean and reset of the Captain's cabin to a high standard.

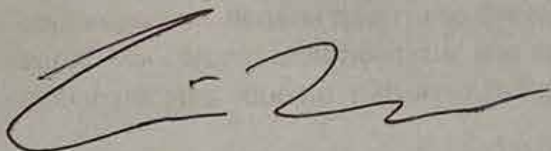

In addition to her interior duties, Cyrna efficiently managed laundry tasks, including washing and folding crew uniforms, bed linens, and all galley and interior rags. Upon completion of her interior responsibilities, she proactively transitioned to exterior work, where she completed a full wipe-down of paintwork and windows, applied Awlcare treatment to every main deck window, and polished stainless steel surfaces with great care.

Cyrna proved to be keen, highly motivated, and consistently maintained a positive and upbeat attitude. She was not only reliable and hardworking but also a genuine pleasure to have onboard—bringing a fun and enjoyable energy to the team while maintaining professionalism at all times.

I would not hesitate to hire Cyrna again and confidently recommend her for future opportunities within the yachting industry.

Please feel free to contact me should you require any further information.

Kind regards,

Carina Leone
